

# Member Fee Schedule

As a valued SageCare+ member, you'll enjoy significant savings on your dental care. The discounts below refer to treatment done by a general dentist. Discounts on treatment performed by a dental specialist (such as an orthodontist, endodontist, periodontist, or oral surgeon) are listed separately. Savings and available procedures may vary by location. Discounts do not apply to product purchases, such as toothbrushes or water flossers. Complimentary exams and x-rays are limited to two per member during each annual membership term.

All discounts are based on a percentage of UCR rates.

SageCare+ is a membership plan designed to provide you with discounted rates on select dental services at participating Sage Dental locations. **This is not an insurance plan.** As a member, you'll pay a yearly fee to access these discounts and are responsible for paying your dental provider directly at the time of service. Plan specifics, including fees and savings, can vary based on the plan, provider, and office location. For detailed terms and conditions, please refer to [mysagedental.com/sagecare](https://mysagedental.com/sagecare). Our dental membership plans are not qualified health plans under the Affordable Care Act and do not meet certain state-specific minimum coverage requirements.
